MICHIGAN'S STAY AT HOMES. From The Detroit Tribune.

From The Detroit Tribune.

In 1888 the total Presidential vote of Michigan was 476,1891 this year it is 405,055, a decrease of 10,000. Tits fact means that anywhere from 60,000 to 100,000 voters remained away from the polis for some reason or another, since the increase in the voting pepulation from one Presidential period to another during the last twelve years has run from 50,000 to 75,000. Both parties have suffered from the stayal homes. The Republican vote is less by nearly 14,000 than in 1888, and the Democratic vote is less by over 11,000.
